

Artist's Intent, Viewer's Interpretation

Artist: Write what you meant to express through your artwork.

---

---

---

---

---

---

---

---

After you have finished fold back the paper so that what you have written cannot be seen.

Viewer: Without looking at what the artist wrote, write what you think the artwork is about and what it means to you.

Artist and Viewer: Based on what each of you wrote, have a conversation about the artwork. What similarities and differences did you notice?
